Cathleen,

It was a pleasure seeing you again last week during the EPA Community Involvement Training in Kansas City! Thank you again for inviting me to join you for dinner. I enjoyed catching up with everyone and meeting some new colleagues.

I look forward to working with you more in the future. Please do not hesitate to contact me if I can help in any way, especially with the Minden site. And let me know when you'll be working in West Virginia. I'd love to meet up with you when you're in town!

Enjoy your day,
Casey
